

**College of Engineering
and Computer Science**

UNIVERSITY OF CENTRAL FLORIDA

The **latest tech trend** is now available to everyone at UCF
for **project collaboration**

Join us for the

GRAND OPENING of the
**Interactive Computing Experiences
Virtual Reality Lab**

The first of its kind in Florida, and open to the entire UCF community, this lab is a space where your **research projects** can **come to life** with cutting-edge virtual and augmented reality technology.

Experience these Student-Led Demos:

Virtual Reality Soccer: Learn the rules of soccer in this adaptive tutoring environment

Eye-Tracking: Use your eyes to track objects for more precise object selection and manipulation in immersive VR

Tilt Brush: Make 3D Drawings in a virtual world

Lake Claire 360 Video: Take a trip around Lake Claire in VR using 360 degree video data

Hololens Roboraid: Fend off robots as they break through the walls of the lab in this Augmented Reality game

Join us for refreshments and learn about this exciting new technology available to UCF students, faculty and staff year-round. UCF students, faculty and staff are welcome to attend this event.

Date: Tuesday, Aug. 29

Time: 10 a.m.– Noon

Location: Barbara Ying Center, Room 119

Please RSVP by August 22 to:

francesca.botteri@ucf.edu
