

FALL 2018 ENGINEERING AND COMPUTER SCIENCE SENIOR DESIGN SHOWCASE

Friday, November 30 • 10 a.m. - 3 p.m.
Harris Engineering Center and Engineering II Building, UCF Main Campus

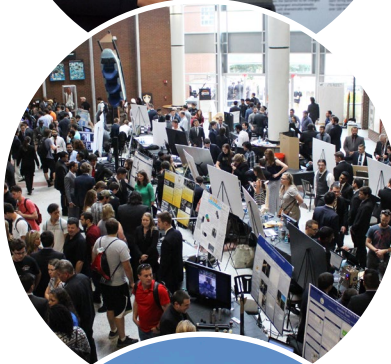

YOU'RE INVITED!

SEE 70+ PROJECTS, INCLUDING:

- Smart system for monitoring the health of remote beehives
- “Driverless” shopping cart for anyone who needs extra hands
- Duke Energy’s solar beach buggy challenge
- 3D printing methods to make cinderblocks for building homes
- Artificial intelligence to cut factory assembly time in half

A full program of all project summaries will be available at CECS.UCF.EDU

Join the UCF College of Engineering and Computer Science as we showcase 70+ projects made by collaborative teams of graduating seniors in multiple disciplines, including Computer Science, Electrical and Computer Engineering, Industrial Engineering and Management Systems, Mechanical and Aerospace Engineering, and Optics and Photonics.

Industry and Alumni Breakfast

9 a.m. - 10 a.m.

HEC 113

Join the development team and alumni judges to learn more about what to expect during showcase day.

Showcase

10 a.m. - 3 p.m.

Inside and Outside HEC and ENG II
 Drones, solar technology, robotics, smart systems, and so much more will be demonstrated. Meet UCF’s rising-star engineers and computer scientists ready to enter the global workforce.

Awards Reception

3:30 p.m. - 5 p.m.

Engineering II Atrium

Enjoy refreshments as CECS alumni volunteer judges recognize the top projects in each discipline and best-in-show.

**PLEASE RSVP
 BY WEDNESDAY, NOV. 28**
