

**SAVE THE DATE: APRIL 19**

# SPRING 2019 SENIOR DESIGN SHOWCASE

**Friday, April 19 • 9 a.m. - 3 p.m.**

**Harris Engineering Center and Engineering II Building, UCF Main Campus  
Awards Ceremony • 3:30 - 5 p.m.**

Don't miss one of UCF's biggest, most visual student-made engineering and technology demos: the Senior Design Showcase, with 150 projects created by hundreds of graduating seniors of the UCF College of Engineering and Computer Science.

Drones, cars, rockets, solar technology, software, smart systems, robotics and more will be brought to life by collaborative teams of students to demonstrate knowledge and application of engineering and computer science concepts.

Many projects are industry-sponsored. Disciplines include Computer Science; Electrical and Computer Engineering; Industrial Engineering; Mechanical and Aerospace Engineering; and Optics and Photonics.

**The event is free and open to all**, and is perfect for anyone who loves seeing unique inventions, advanced technology and solutions to real-world problems.

It's a great way to meet UCF's best and brightest rising-star engineers and computer scientists ready to enter the global workforce.

**THANK YOU**
