

# UCF Technology Ventures Symposium Find Your Hidden Gem in Central Florida

ORLANDO THE CITY BEAUTIFUL

The Central Florida economy is large and increasingly diverse. Thanks to the influence of UCF and the many high-tech innovation-based industries located here, new ideas, innovations and start-ups are launching daily. These **HIDDEN GEMS** are little known to those outside Orlando, and ripe for potential investment.

**BRINGING TOGETHER  
COMMUNITY ENTREPRENEURS + UCF STUDENT STARTUPS  
+ FACULTY RESEARCHERS + VENTURE INVESTORS**

### Why You Should Attend
