WAYS OF GIVING TREASURE

GIFTS OF ANY SIZE UNLEASH POTENTIAL

AND MAKE A BIG IMPACT ON OUR KNIGHTS OF TODAY AND TOMORROW.

- Give to the UCF - CECS Fund
 - Create an endowment
 - Plan a deferred gift

GIVE TO THE UCF - CECS FUND

STRAIGHTFORWARD AND EASY-TO-GIVE GIFTS:

You will have real-time impact on an area of your choice.

By aggregating thousands of individual gifts every year, the UCF Fund also ensures that each gift has maximum impact.

NON-ENDOWED GIFTS

Non-endowed gifts are important to the university, since they allow for immediate support to the area of the donor's choice.

These funds are not invested and do not generate interest.

NAMED FUND OR SCHOLARSHIP

A named fund or scholarship requires a \$10,000 commitment, payable as \$2,000 a year over a five-year period.

LEADERSHIP ANNUAL GIFT

A leadership annual gift requires a gift of \$1,000 or more.

CREATE AN ENDOWMENT

A GIFT THAT KEEPS ON GIVING.

An endowment gift is a donation that is kept rather than spent.

An endowed gift is invested and then managed by the UCF Foundation.

ENDOWED GIFTS

Each year, a portion of earnings are spent according to the donor's wishes.

The remaining earnings are added to the amount of the original gift and invested so that the fund grows over time.

ENDOWED FUND OR SCHOLARSHIP

An endowed fund or scholarship requires a \$50,000 commitment, payable as \$10,000 a year to the endowment corpus over five-year period.

Approximately \$2,000 a year will be awarded in perpetuity.

Based on a corpus of indicated amount and an annual payout of 4% (after set-aside for inflation, growth protection and investment fees). Payout occurs after fund is fully funded and has accrued a year of earnings.

PLANNED A DEFERRED GIFT

LEAVE A LEGACY.

Deferred or planned gifts allow you to support UCF and its students and can also benefit you and your family during your lifetime.
